

## Novitrail Pharmaceuticals

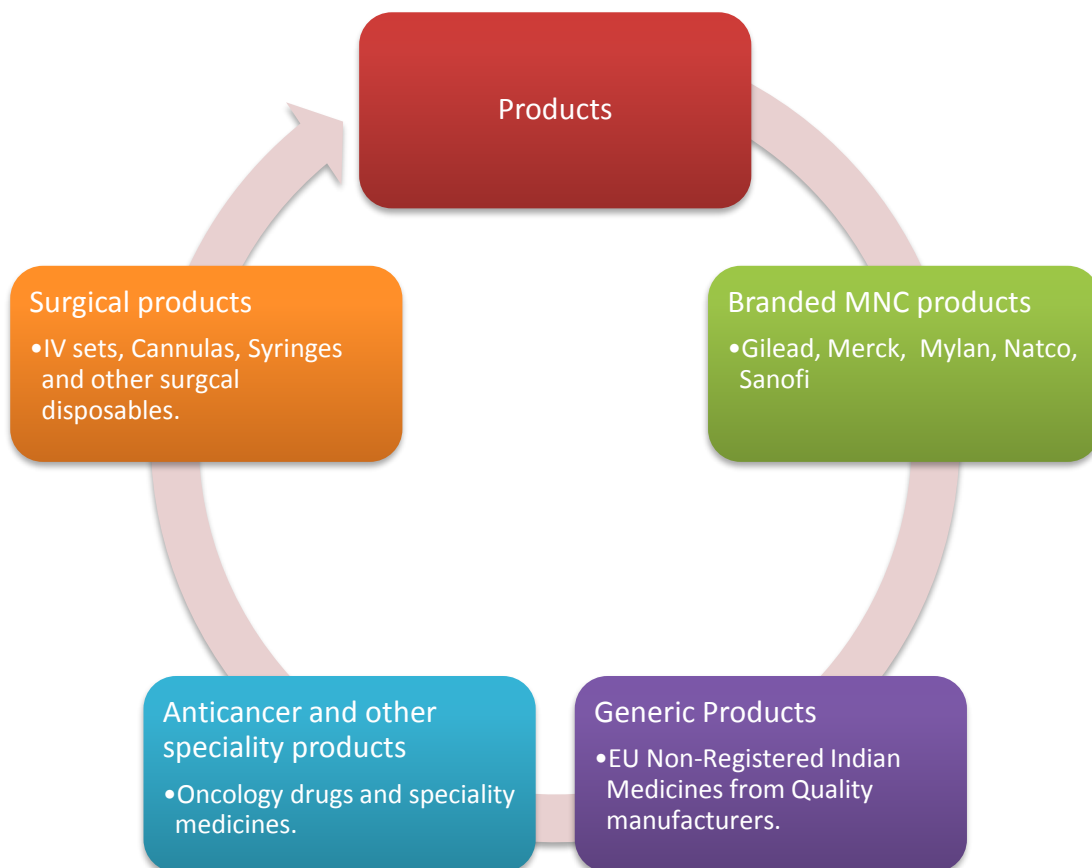

### Company Profile

#### About Us:

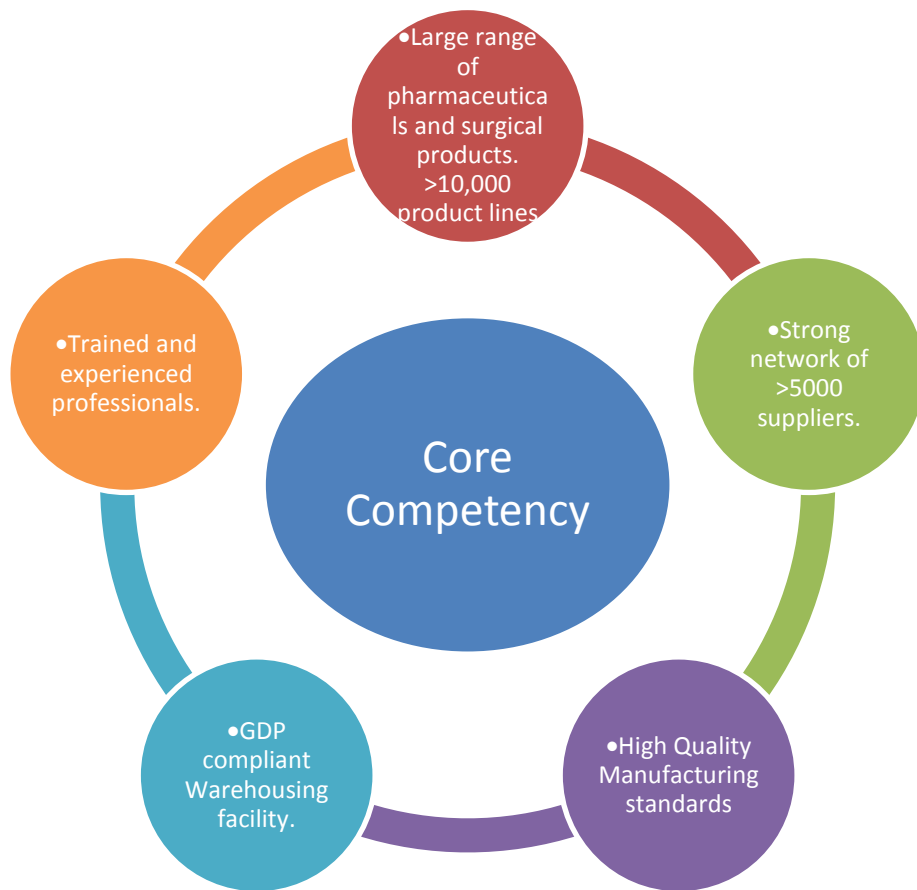

*Novitrail Pharmaceuticals* is Global Pharmaceutical Marketer, Wholesaler and Exporter of wide range of Pharmaceutical products. We are an Independent, Professionally run, company with over 10 – years of experience and expertise in Pharmaceutical Global trade.

Established in 2017, we are one of the leading wholesalers, Suppliers, Exporters of vast range of Pharmaceutical products. We are engaged in dealing with effective medicines and drugs that comprise of Speciality medicines, Generic and Branded drugs, Anti-cancer medicines, and Surgical disposables.

#### Products Offered:

#### Core Competency :

**Company Fact Sheet:**

## Our Businesses Areas:

**Wholesale business** - We cater to the Pharmaceutical demands of Katni, Jabalpur, Satna, Rewa, Shahdol, Umaria and adjoining areas. We have own sales team that regularly visits customers in the territory and renders efficient solutions matching to their expectations. Our customer base includes Retail Pharmacies, Hospitals, Private doctor clinics, General physicians.

**Exports business** – We regularly export Pharmaceutical products (branded or Generic medicines) to regulated markets like EU, UK, USA. And are constantly developing channels in Non-Regulated markets.

We have also started registration of own branded products in less regulated international markets like Myanmar, Equador and Bolivia, And aim to become a truly global pharmaceutical company.

**Branded Pharmaceutical Marketing and Sales** – We have our own marketing & sales team to promote own (Novitrail) branded products in the domestic market of Madhya Pradesh and neighbouring states in Central region of India.
